Case # 13-53-846

Judge Steven Rhodes  
C/o Clerk of the Court  
United States Bankruptcy Court  
Eastern District of Michigan  
Southern Division  
21 W. Fort St. Suite 1800  
Detroit Mi. 48226

Dear Judge,

Any cut in my pension is a dice  
case for me, Mary E. Reed. I worked 34 yrs  
for the City of Detroit in the poverty program  
I have serviced in one day, Federal food give  
away at least 10,000 people, arriving at 5:00 AM  
and working until four P.M. I fell on the job  
and hurt my back, without medical assistance  
I could not afford doctors care or possible operation  
on my back.

on a personal note I have invested my income into my home so that I would have a safe and comfortable place to live in my retired years. There was not a reason that I could think of that would remove my pension because it is ~~benefit~~ benefit to people who make as much in a day as I make in a year with all my responsibility.

Please remember these things when you decide and rule on situations that affect and effect my way of life,
